

Members Elect Board of Directors

As a fraternal benefit society, National Mutual Benefit has a strong tradition of caring for our members throughout our 108-year history. Through our fraternal programs and insurance products, we have been able to touch many lives and truly strive to live up to our motto of *People Helping People in Time of Need*. Our Home Office staff, field representatives, and especially our members have made NMB a very special organization.

One of the privileges you receive as a benefit member of NMB, is that of voting for the candidates to potentially serve as National Mutual Benefit's Board of Directors. As stated in our Bylaws, an election takes place every four years. Ballots are mailed to all benefit members, age 16 and older, enabling them to vote in this important election.

In September of this year, this democratic process took place. I am pleased to report that we had an excellent return of completed ballots and received many positive comments from our members thanking NMB for the opportunity to participate in the election.

The individuals elected by you, our members, will take office January 1, 2011. The elected Directors are as follows: Maureen O'Hern Hahn, Appleton, Wisconsin; Nancy Nelson Heykes, Krakow, Wisconsin; Thomas Johnson, Fitchburg, Wisconsin; and John Rashke, Middleton, Wisconsin. These Directors, together with myself, form the five-member National Mutual Benefit Board of Directors. You can be assured that this team of qualified individuals will conduct the business of National Mutual Benefit with the best interests of our members in mind and in a highly professional and ethical manner.

As the year 2010 nears an end, I want to personally thank you for placing your confidence and trust in National Mutual Benefit.

Best Regards,

George F. Yanna
